Wall Mounted Dispensers & Wet Wipe Range

Ideal for hygiene conscious environments

Presenting a revolutionary wet wipe range with convenient wall-mounted dispensers, without the need for messy sprays and cleaning cloths making cleaning easier.

The unique dispenser allows you to access wipes with a simple, one handed operation. The lid will then automatically close to seal the unit and keep the wipes moist and free from contamination with the next wipe presented and ready to use.

- **Eliminates pilferage**
  Refills cannot be used without dispenser
- **Minimises waste**
  Reduces bulky plastic packaging waste by 60% or more
- **Suitable for outdoor applications**
  Strong ABS plastic dispenser resists UV light & damage
- **Convenient waterless cleaning and sanitising solution**
  Eliminates spray bottles and cleaning cloths
- **Colour coded dispensers**
  Wipes are available for hands, surfaces, industrial cleaning and sensitive skin.

EQUIPE WIPES HAND & SURFACE
