Equipment + Breakdown Service

Richard Jay solutions

At Richard Jay, we offer a range of flexible payment options encompassing machinery & equipment, emergency breakdown, spare parts and accessories for our JayWash – laundry – and JayWare – warewashing – divisions. One of these payment options is our RJ Capital Plus equipment + breakdown service.

Introducing Capital Plus

RJ Capital Plus service is a cost-effective agreement that is also tax deductible. You receive access to brand-new machinery as well as breakdown servicing for one regular monthly payment, over a 5 year contract. This allows you to select the commercial or industrial laundry equipment and professional dish and glass-washing machines that best suit your requirements. The all-inclusive contract means there are no surprises. Everything is included – installation, training, commissioning and breakdown response of the new equipment.

Over the years, many Richard Jay customers have enjoyed the benefits of Capital Plus. They love the peace of mind that comes with knowing they are in good hands with only one provider to deal with. We often hear that it makes perfect business sense.

An agreement **between partners**

Capital Plus is 100% company-owned with no third-party financial institutions involved. Machine upgrade options are available as well as breakdown servicing.

Terms & conditions apply*

Maximise machinery **performance**

A Richard Jay Preventative Maintenance Agreement reduces wear and tear on your warewashing and laundry machinery while also improving energy efficiency, performance and the safety of your machines. Preventative maintenance schedules can be included in the Capital Plus contract.

Why pay **this way?**

- ✓ Upgrade to new machinery sooner
- ✓ Breakdown service included
- ✓ Budgeting control
- ✓ Latest technology
- ✓ Reduce outgoings
- ✓ In-house finance, no 3rd party
- ✓ Upgrade options
- ✓ Tax deductible

* \$350 plus GST application fee due upfront on completion and return of your Capital Plus application.

* Auscom Equipment reserve the right to ask for 6 months rental upfront upon application to be held as a bond against your account. This prepayment will be used on the last 6 months of your rental.
